

D&B Credit

Manage credit risk, monitor your customer portfolio, and make confident credit decisions with Dun & Bradstreet's modern risk management solution.

D&B Credit is Dun & Bradstreet's flagship risk management offering. With a user-friendly, intuitive interface, this cloud-based solution – fueled by D&B's industry-leading data and analytics – provides intelligent risk assessment to modern credit teams. With powerful segmentation tools, personalized alerts, and configurable credit reports, you'll be more efficient and better able to drive profitable growth by helping to build valuable relationships - with customers, partners, and colleagues.

WHEN YOU NEED TO MAKE CONFIDENT CREDIT DECISIONS

D&B Credit's comprehensive business information is critical to any company's credit-decisioning process. Anchored by the Dun & Bradstreet D-U-N-S® Number, D&B Credit's streamlined digital reports provide in-depth intelligence to give you a clear view of your potential partner's financial situation and the exact credit risk they pose.

View D&B's unrivalled predictive and performance-based credit scores and analytics, as well as trade payment data, legal events, corporate family trees, and other third-party web and social information. Credit reports and dashboards are configurable, so you can easily view the information that's most important to you. With D&B Credit, you'll be able to make confident credit decisions using the world's largest commercial database.

WHEN YOU NEED MORE EFFICIENT ACCOUNT MANAGEMENT

D&B Credit helps you understand total risk and identify growth opportunities in your accounts portfolio. Its easy-to-understand graphics provide a clear and customizable view of your credit customer segments by the type of risk, to spot easily who might pay slowly or default altogether. Drill down for more insight with one click, and use your customized dashboards for easy visual reporting. Segment your portfolio by tagging accounts and configuring unlimited alert profiles for more effective account portfolio monitoring and management.

WHEN YOU NEED GLOBAL RISK INSIGHT

D&B Credit is ideally suited for companies with both domestic and international operations. It supports seven languages and 16 major currencies. Credit reports are available on companies in more than 200 countries and territories, and Country Insight Reports provide a detailed analysis of the underlying risks and opportunities in a specific market. In addition, D&B Credit captures your work and saves historical records, which is necessary for many corporate governance and compliance policies.

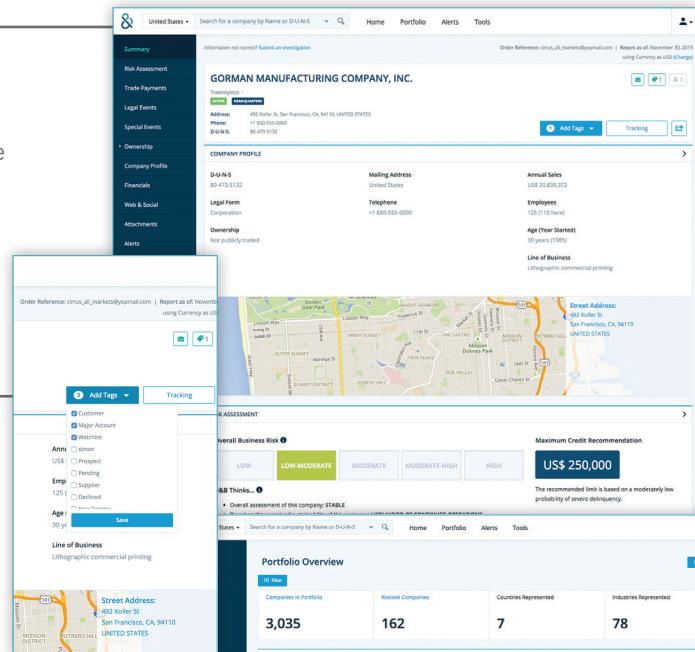

Altogether, D&B Credit provides unlimited data refreshes, alerts, and monitoring and portfolio analytics capabilities for 18 countries (and more countries to come): Andorra, Austria, Belgium, Canada, France, Germany, Ireland, Italy, Lichtenstein, Luxembourg, Monaco, Netherlands, Portugal, San Marino, Spain, Switzerland, United Kingdom, and the US.
